8:20 AM	Opening remarks	President Noland
8:30 AM	<p>Discussion</p> <ol style="list-style-type: none">1. Employer needs<ol style="list-style-type: none">a. Describe the perfect new hire, fresh out of college with a bachelor's degree.b. Does it make a difference to you in hiring whether a student completed a degree through mostly online classes or through a more traditional college experience?c. Besides academics, are there other college activities that are important in new hires (e.g., leadership, Greek life, service, etc.)?2. ETSU reputation<ol style="list-style-type: none">a. When you see on a resume that a potential employee is an ETSU graduate, what does that mean to you?b. In which areas do you find ETSU graduates are strongest?c. In which areas do you find ETSU graduates to be weak?d. How do our graduates compare to graduates from other institutions?e. What advice would you give ETSU to better prepare your future employees for the workforce?3. Collaboration<ol style="list-style-type: none">a. Working together with employers is a real key to the school to work transition. What role do you think you could play to help our students attain the skills and abilities you seek in employees, while they are enrolled at ETSU?b. Are there opportunities for real-world experience within you company that our students could engage with?	Cheri Clavier
