

# Navigate360: Pulling Student Lists EXcluding LS Advised Students

Exclude Learning Support (LS) Advised Students when using the Advanced Search or Campaigns

## 1. Open the Advanced Search

- Open the *Enrollment History* drawer
- Select the *Enrollment Term* bound to the current term
- Open the *Assigned To* drawer
- Under *Student has relationship* select *Academic Advisor* from the drop-down menu
- In the *Staff* box, select the name of the advisor for the desired population of students
- Click the  *More Assignments* icon
- Under *Student has relationship* select *LS Advisor*
- In the *Staff* box, select *No Assigned Staff for this Relationship*
- Click *Search*

The screenshot shows the 'Enrollment History' drawer with 'Enrollment Terms (In Any of these)?' set to 'Spring 2025'. The 'Assigned To' drawer is open, showing 'Student has relationship' set to 'Academic Advisor' and 'Staff' set to 'Buckaroo, Buckany'. A 'More Assignments' button is visible next to the 'Student has relationship' dropdown. A 'Search' button is located at the bottom right.
