*CSCI 1100/1150 is a graduation requirement at ETSU; if students pass the proficiency exam, the requirement will be met. A free elective may be needed in place of the class to meet 120 credit hours.

*Completion of the Bachelor of Science in Kinesiology (Exercise Science) program does not guarantee admission in ETSU's Doctor of Physical Therapy Program. Students should work with their advisor on any additional required courses for the Doctoral of Physical Therapy program.
