Addendum One (1)

Clarification and Q&A

Attachment 6.6 Cost Proposal

Section D.1 – D.4, Instead of proposer submitting top 50 book list, please utilized the attached list provided to complete the Cost Proposal section D.1 – D.4.

Questions & Responses:

1. Page 32, g. states, "Relevant client references and examples of successful projects of comparable size and complexity." How many references should we include? ***A: Please provide three (3) references.***

2. There is no "Signature & Date" field on Attachment 6.5, Technical Proposal. Where should proposers sign this, as required by Section 3.1.2? ***Page 29***

3. What is the approximate value of a resulting single-vendor award? ***A: The resulting award will depend on the number of recruited schools. We estimate at least $325,000 for three years, this can increase as mentioned based on recruited schools.***

4. Would the University consider a 1-week extension to the submission deadline due to the question response date being close to when proposers will need to mail proposals, also considering the Thanksgiving holiday? ***A***: ***We will post questions sooner if we get questions before Q&A deadline, hopefully this will allow early submission if needed. Unfortunately, due to time constraints, we cannot modify the RFP Schedule.***

5. In addition to completing Attachment 6.6, Cost Proposal, where and how are we allowed to include additional pricing details and information? Section 3.3.3 indicates "See Section C.4 of Attachment 6.4 for instruction on providing additional/optional cost rates." but that section is not found on Attachment 6.4. ***A: You can attach it to section 6.6 and label it additional pricing, but keep in mind that for evaluation and scoring, only what is in sections D.1 – D.4 on attachment 6.6 will be accepted.***

6. Would the University please include a list of titles for proposers to use to fill in Section D.1 (*Average cost per book)* of Attachment 6.6, Cost Proposal? An average will be based on the list of books provided. Actual costs depend on the titles ordered and based on the discount provided by binding type. ***Please see correction to Cost Proposal Section of Addendum 1, we have provided a list of Top 50 titles.***

7. Are there any specifications for the labels that need to be on each package indicating the student's ID and teacher's name? (Overall size, font size, additional information?) ***A: The information on the individual student packages will need to have student ID, teacher's name, and grade. It is up to the vendor how they want to format it.***

8. Are original signatures only required on these 3 items: Attachment 6.5, Technical Proposal, Attachment 6.6, Cost Proposal, and Attachment 6.3? ***A: Pg 29 – 6.3, and Attachment 6.6 pg 37, Attachment 6.10 pg 41-42***

This addendum becomes part of the proposal submission. Please sign, date and include in your proposal.
