

History and Social Science Courses: Teacher Certification

Students interested in pursuing a teacher education program for certification as a history teacher in grades 7-12 are asked to see Dr. William Burgess, Roger-Stout Hall 109, (423) 439-6691, and the professional advisor in the Office of Student Services, 321, Warf-Pickel, College of Education.

If you are interested in teaching at the secondary education level (7-12), you must have a major in History and a minor in Secondary Education.
