Desire2Learn (D2L)

Each course (online, face-to-face, ITV, and hybrid) has a D2L site that is automatically built.

Log in to D2L at: elearn.etsu.edu with ETSU username and password. Note that you must activate your e-mail to set your password before the first time you log into D2L.

D2L is THE platform for online courses and is also valuable to supplement other course formats and its use is recommended for all courses.

For information on how to fully utilize D2L, please see
http://www.etsu.edu/d2l/faculty/default.php.
There are valuable training guides and the opportunity to register for "hands-on" workshops. Note that through the classlist tool it is possible to email all students in class at the same time or select students to e-mail.

Under the "student" tab of D2L, part-time instructors have been enrolled into a site that for Counseling and Human Services adjunct faculty: ADMN-0005-398 -CHS Adjunct Faculty. We provide this as a resource.
