Field Experience Verification

Student Name \_\_\_\_\_ E# \_\_\_\_\_ Semester/Year \_\_\_\_\_

Directions for students: Please enter the information for the first columns items in the chart below. Once your field experience hours are completed, ask you mentor to sign in the designated area. If you are completing field hours for multiple courses, please list the information for each course in the extra spaces provided, and have each mentor sign in the designated area. No electronic signatures will be accepted. This signed document is a requirement, and must be turned into the Office of Educator Preparation (edprep@etsu.edu) before the last day of classes this semester in order for the student to pass the course(s).

Field experiences allow students the opportunity to complete observational or hands-on experiences within a classroom of a partnering school district. Students encounter multiple field experience opportunities working through our programs within Clemmer College of Education and Human Development. These experiences expose students to many teaching styles and pedagogies. It is critical for students to observe and apply real world practice to what is being taught in the classroom. The Office of Educator Preparation would like to thank you for allowing our students to complete a field experience in your classroom.

Table with 5 columns: Course Number, Hours Completed, School, Mentor's Name & Email Address, Mentor's Signature. The signature column contains a yellow highlighted instruction: 'By signing on the space provided below, you, the mentor teacher, certify that the above-named student has completed the required field hours for the designated ETSU course.'

Please feel free to contact our office if you have any questions or would like to provide additional information regarding the student or our program.
