Are you delaying your submission of the FAR in  
Watermark because it is new and confusing?

Join us via Zoom to work on submitting and get  
support navigating any hurdles you have with the  
new Watermark system.

Dr. Ginny Blackhart will be on Zoom along with Dr. Pamela Mims and Carter Cook, Graduate Assistant trained in Watermark, to help support you through any issues you may have.

We will use breakout rooms for privacy as needed. Let's get these FARs submitted!
