BRING YOUR LUNCH

Clemmer College awards financial incentives for Summer Research Assignments (SRAs) based upon proposals submitted to the Internal Research Advisory Committee. This provides SRA recipients with undistracted time to complete a set of observable and measurable objectives that results in a variety of scholarly products. Please join our first group of 2019 SRA recipients as they discuss their projects. The second group of recipients will present on 3/3/20.

BROWN BAG SEMINAR

EACH SRA
