	 <p><b>Pisgah National Forest/ Roan Mountain State Park</b></p> <p style="text-align: right;">Agenda</p>
	The Pisgah National Forest is a land of mile-high peaks, cascading waterfalls, and heavily forested slopes. Comprised of over 500,000 acres, the Pisgah is primarily a hardwood forest with whitewater rivers, waterfalls and hundreds of miles of trails. This national forest is home of the first tract of land purchased under the Weeks Act of 1911 which led to the creation of the national forests in the eastern United States. It is also home of the first school of forestry in the United States, now preserved at the Cradle of Forestry in America historic site, and boasts two of the first designated wilderness areas in the east. The Pisgah, Grandfather and Appalachian Ranger Districts are scattered along the eastern edge of the mountains of western North Carolina and offer visitors a variety of opportunities for outdoor recreation and enjoying the natural beauty of the mountains.

1:30pm-3:00pm	<b>Students move out of the dorm.</b> Counselors will be on hand to assist. Each student is responsible for the cleaning out of their room, including trash detail. If students have damaged their rooms in any way the student and their parents will be responsible for the renovations.

While every effort has been made to make this schedule as complete and accurate as possible, adjustments might have to *be made* during the course of the five-week program. Two copies are included, one for your parents or guardian to keep and one to bring with you to ETSU.

#### **ADDITIONAL COPIES WILL NOT BE DISTRIBUTED.**

“Open Time” periods are for homework, research and free time. Your first priority should be academic. When homework and research are complete, you might want to do laundry, go to the Center of Physical Activity, hike, or just lounge around your dorm. Residential counselors will be at the dorm to help you or to check you in and out of the dorm. Counselors may also have group activities planned during this time.

“Family Day” Most Sundays have been set aside for families to visit students. Students will be allowed to leave campus with their parents or legal guardian. Students may leave with another adult if we have written permission from the parent or legal guardian which specifies day and name of the adult. Provision for meals and activities will be made for students remaining on campus.
