

eBucs Changes for Departmental and User Software Purchases

Information Technology Services (ITS) and Procurement and Contract Services have partnered to establish a unified process for purchasing software and web services systems that may need to integrate with ETSU's current university systems (Banner, Active Directory/LDAP, D2L). Users can find this new purchasing form – **Software / Service (ITS Review)** - on the homepage of eBucs starting on June 14th.

Through this process, an IT partner will be assigned to the request early to ensure the implementation process is smooth and proper IT governance and security risk assessments are followed. If you experience difficulty in using the form, please contact Procurement and Contract Services at (423) 439-4224. For additional information about the new software review process, please contact Gabriel Thomas in ITS at (423) 439-3706 or thomasgs@etsu.edu.

For dissemination:

ETSU Monday Newsletter – Weekly – emails@etsu.edu

Starting: 14-June-2021

Ending: 28-June-2021

Audience: Faculty/Staff
