Distinguished Nurse Leader Lecture Series Spring 2023

*Pipeline of Nurses-Barriers and Opportunities from the Higher Education
Perspective*

Featuring Keynote Speaker:

Dr. Wendy Likes, PhD, DNSc APRN-BC, FA-ANP

Dr. Wendy Likes is Dean of the University of Tennessee Health Science Center, College of Nursing, where she leads academic programs, advances nursing research, and is an internationally recognized expert in the prevention, recognition, and treatment of HPV-related cancers.

Program Disclosure Statements: East Tennessee State University College of Nursing is approved as a provider of nursing continuing professional development by the North Carolina Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. Learners must **complete the form** to be awarded 4.5 nursing contact hours.
