PMCY 1122 Skills Lab I

Emily Flores, Course Coordinator

Required Materials:

- D2L access and routine use of ETSU email
 - Required readings/videos will be from sources within Access Pharmacy, Core ELMs, Pharmacy Library, or posted on D2L. Students will need to download Micromedex to their personal device and keep it updated. Access is available through ETSU Medical Library.
- Professional attire, lab coat, and name badge per Office of Experiential Education specifications_
- Stethoscope: [3M Lightweight Littmann II S.E. 28" Stethoscope](#) OR 3M Littman Classic III 27" Monitoring Stethoscope (*student may select color; one of these specific models is required; stethoscope case may be helpful*) - \$64.98
- Blue or black ink for any paper submissions

Recommended Materials:

- Blood Pressure Cuff: Manual, Adult cuff (size 11), Aneroid dial manometer (not digital) (*any brand or model that meets these specifications is fine*). Example cuffs have the manometer separate from the bulb which is how most available COP/COM blood pressure cuffs are designed. Be sure that you have a size 11 cuff (average adult) then you are welcome to obtain additional cuff sizes and/or colors as desired. You may want a carrying case. Manual blood pressure cuffs can be purchased online and/or from local stores.
 - [ADC: Diagnostix 700](#), Diagnostix 720, or Prosphyg 760 - \$61
 - [MDF: Calibra Aneroid Premium](#) - \$37
 - [Welch Allyn: DS44-11CB](#) (same as College of Pharmacy) or DS45-11CB - \$69
