Notes:

The hours in this report [effective fall 2021 as implemented in spring 2021] present preliminary census figures captured census night, the 14th day of class, and may, or may not, match the final data edited pursuant to the THEC Student Enrollment Report guidelines and submitted near the end of the semester (versus the week after the 14th day as in prior years).

In fall 2022, this report includes six hours marked with a withdrawn status in Nursing, NRSE.

In fall 2020, this report includes six hours listed as regular credit hours versus audit hours and has three additional regular credit hours included.

In fall 2019, this report includes three hours marked with a withdrawn status in Continuing Studies.

In fall 2018, this report includes four hours marked with a withdrawn status for one hour in General Studies (BGSD) and three hours in Curriculum and Instruction (CUAI).

In fall 2018, credits for PMUG rubric, PH College, at level 4 for 21 hours were added after census and thereby reported in the end-of-term supplemental enrollment report.

The TN eCampus Program was phased-out at ETSU beginning May 2021 and ending August 2021. The following notes apply to data in years prior to 2021.

Some of the TN eCampus Program course offerings with rubrics identical to ETSU rubrics are shown only in the ETSU departments and are not in the RP, RODP department.

RODP duplicative rubrics are identified in other ETSU departments by the (RP) college code listed in parentheses after the rubric code.

The TN eCampus graduate programs are housed in ETSU colleges with the following department codes:

ROCS - Continuing Studies; ROED - Education; and ROGC - Graduate and Continuing Studies.

Their hours are included in both the appropriate ETSU college and the RP college.

Courses may be offered at different times in a semester and are identified with a part-of-term code to identify appropriate enrollments for census reporting (versus end-of-term supplemental reporting).

The census enrollment hours are identified in this report with their part-of-term code listed in parentheses beside the rubric: FA - First 5 Week; FD - First 7 Week.

The smallest percentage value shown in the chart is 1%, all values less than 1 are not shown.

The undergraduate total percentage figure as compared to the lower and upper individual percentages added together may be one percent higher or lower due to their separate calculations.
