NOTES

Notes:

Beginning in Spring 2021, this report reflects preliminary census figures as captured on the night of census, the 14th day of classes, versus census data finalized in the Student Enrollment Report. The hours are from the Banner census resource and should reflect census data now being finalized and submitted in state reporting at the end of a semester.

The spring 2022 report has two hours of withdrawn credits assigned in the census data which should get corrected or removed at the time data are submitted to the TBR/THEC at the end of the semester. The spring 2020 report contains three additional audit hours than the audit total hours in the census enrollment report as submitted to the TBR/THEC in February.

The TN eCampus Program course offerings were fully terminated at ETSU with a phase-out and termination date of May 2021 to August 2021. The following notes apply to data in years prior to 2021.

- The TN eCampus Program, previously called Regents On-Line Degree Program, had an ETSU college code of RP and a department code of RODP in Banner.
- Some TN eCampus Program course offerings with rubrics identical to ETSU rubrics were shown only in the ETSU departments and were not in the RP college, RODP department.
- The duplicative RODP rubrics were identified in the ETSU departments by the (RP) college code listed in parentheses after a rubric code.
- The TN eCampus Program offerings at the graduate level were offered through the ETSU departments of ROCS - Continuing Studies, ROED - Education, and RONU - Nursing.
- Those hours were included in both the appropriate ETSU colleges and the RP college in this report.

Select courses can be offered at different times during a semester and are coded with part-of-term codes which identify their enrollments for census reporting (versus end-of-term supplemental reporting). The courses having census hours are identified in this report with the part-of-term code written in parentheses beside a rubric: (FA) - First 5 Week; (FD) - First 7 Week.

Some departments began to offer credits with tenth place values in fall 2018. This report was modified to include a decimal point in Level 4 and respective total columns to show the decimal place values.

The smallest percentage value shown on the chart is 1%, all values less than 1 are not shown. The undergraduate total percentage figure as compared to the lower and upper individual percentages added together may be one percent higher or lower due to their separate calculations.
