Grade Entry Deadlines

Early Semester Progress Reports

Early Semester Progress Reports are to be entered for all Undergraduate Students at ETSU. Grade Entry will take place during the 6th week of school. Advisors will be able to contact students who are in danger of doing poorly in a course, and students can also see their status at this point before the last day to drop a course during the 8th week. Notification will be sent to Dean’s Offices for distribution of specific dates and there will also be events added to the Faculty and Staff Calendar during these times.

Final Grades

Final Grades open the week of finals and will close the Monday following Commencement at Noon. It is necessary for grades to be entered in a timely manner to ensure that the student records are accurate.

The Record's Office cannot commence End of Term Processing (repeat process, academic standing, GPA update, or transcript production) and degree conferrals until grades have been entered.
