The Judicial Educator (JE) – Directions for Students.

THE JUDICIAL EDUCATOR DOES NOT REQUIRE PAYMENT. Please read these instructions carefully – they contain a discount code for your school that you will use in place of paying for The JE.

Please use your school email address to set up your account and make sure you find your school in the drop-down box.

Important: Although The JE is mobile-friendly, it is STRONGLY suggested that you use a desktop to set up your account. Print or save the first page of these directions and keep it until you have completed the module(s) that you are assigned. You will receive a certificate of completion for each individual module of The JE that you successfully complete. It is your responsibility to provide the certificate(s) you receive to the appropriate campus representative. Please check the instructions provided by the person who referred you to The JE and ensure that you know where to send your certificate(s) once you have completed your assigned module(s).
