### DEFENSE: The Name of the Game

Defense was the name of the game for the girls' basketball team. They are determined to improve their defense skills. One strategy they worked hard on is attacking the key of Coach Bill. To see if they were successful, they played a game against the boys' team.

The team's record did not tell the real story about how these girls played. They have some great games that are not on the record. Coach Bill says that the girls have some of the best defense in the state. He says that the girls' defense is one of the reasons why they are so successful.
